

# SUPER NINJA BOY™

A peaceful life in quiet Chinaland was suddenly thrown into disaster, after the Universal Peace Conference was over. The Emperor's concerns kept growing until Jack and Ryu decided to go out and settle the problem. The places they visited during their expedition were: Chinaland, Mysteryland, Fairyland and Futureland. The more they advanced, the more suspenseful it became. What they found out was a devastating plot.

There are loads of exciting action, cool items, neat vehicles, great attacks and magic spells available. They are all yours to blow adversaries out of the way of the once peaceful Chinaland.

**New and upgraded weapons and items!**

Use Flame Punches, Thunder Swords, Star Bombs and other Powerful weapons to destroy the enemy before you fall into their Clutches.

**Find your allies and Celestials!**

Each of them has his/her specialties and will give you useful information, tactics and rewards, or play games with you on the subscreen!

Some of the enemies you encounter look funny and comical, but don't underestimate their power. They're cunning tough, and mean, and will try to outsmart you!

\* This great RPG game will be even better when played with a friend in a 2 player model!
